Wellness Counselor**

**Lizeth Ureno
Wellness Counselor**

**Samantha Bacher
College and Career Specialist, from
Tri-Valley Regional Occupation
Program (TVROP)**

Graduation/ 4 Year College Requirements

DUSD Graduation Requirements and 4 Year University Requirements <small>Note: 5 credits = 1 semester; 10 credits = 2 semesters</small>		
Subject Area	Dublin Unified	4 Year University Requirements
Social Science	3 years (30 credits) <i>including:</i> - 1 year World History - 1 year US History - 1 semester Civics - 1 semester Economics	2 Years
English	4 years (40 credits)	4 years
Mathematics	2 years (20 credits) <i>including:</i> - 1 year must be Algebra or its equivalent - 1 year of an additional Math course	3 years (4 years recommended) <i>including:</i> - Algebra 1 - Geometry - Algebra II
Science	2 years (20 credits) <i>including:</i> - 1 year Biological Science - 1 year Physical Science	2 years (3 years recommended) - 1 year Life Science w/ lab - 1 year Physical Science w/ lab
World Language	2 levels (20 credits) 2 levels of the same language other than English	2 years (3 years recommended) 2 years/levels of the same language other than English
Visual and Performing Arts, Career Tech or Applied Arts	1 year (10 credits) - 1 year in any Visual Arts, Performing Arts, Career Tech, or Applied Arts course	1 year Visual or Performing Arts only
Physical Education	2 years (20 credits) - 1 year of Freshman PE - 1 additional year of a PE course or two semester PE courses After 9th grade and during 10th-11th grade 5-10 credits may be waived through participation in marching band or 75 hours of an EHS sport	Not Required
Financial Literacy	1 Semester (5 Credits) 1 semester of Personal Finance (Beginning with Seniors Graduating in 2031)	
Health	1 semester (5 credits) 1 semester of Contemporary Health	Not Required
Electives/Additional Credits	60-80 credits Electives or courses beyond the minimum graduation requirements (Example: 3rd year of Math = Additional Credits)	1 year of any College Prep Elective
Totals	230 credits	15 courses
Grades Required	D- or Better	C- or Better

Important things to note:

- You need 230 credits to graduate
- A passing grade for graduation is a D-
- A grade of C- is required to be 4-year college eligible
- Remediation is available for core classes with a D/F grade
- PE Exemptions can be earned in 10th/11th grade through marching band or sports

Note: Check individual college websites for private and out-of-state college admissions requirements

What is a Balanced Schedule?

Questions to Consider

Am I ready to take on one or several Advanced, Honors, or AP Courses?

Do I need to take a 3rd year of a World Language?

How to use the summer for enrichment instead of acceleration?

Step 1

- Identify what you are interested in!
- What are your career goals?
- What do you see yourself doing after high school?
- What will you pursue in college?

Step 2

- Review 10th, 11th, and 12th grade course planning sheets.
- Read through the [course catalog](#).
- Watch the informative videos that teachers have shared.
- Talk with your teachers and counselors.

Step 3

- Complete the [4 year planning sheet](#)!
- Sample [Time Management Sheet](#)
- Bring it to your counselor during your 1:1 meeting for course selections.

Course Selections

1) English
2) History
3) Math (OR Additional Credit - 11th Grade)
4) Science (OR Additional Credit - 11th Grade)
5) <u>Additional Credit</u>  a) Choose <u>ONE</u> either from Graduation Requirement or an additional credit Graduation Requirement i) World Language ii) Visual Performing Arts iii) PE
6) <u>Additional Credits</u> a) Pathway Courses (Biomed/Engineering/Comp Science) b) Culinary c) AVID d) ROP Course

Choose up to 11 courses (6 Core and 5 Alternates)

- We will make every attempt to enroll you in your first choices. However, EHS classes are impacted and using your alternate choices may be needed. If you do not provide alternates, we will select available classes for your schedule.
- Keep a PDF of your course selections for your records
- Do not look at the red completion bar. You do not need 100%.

Starting 10th grade, Honors and AP courses are weighted towards College GPA on a 5.0 GPA scale

Tri-Valley

ROP

Program

- Engaging classes with hands on learning experiences.
- Potential to earn college credit and/or certifications.
- Internship, volunteering, job shadowing, guest speakers, professional portfolios, mentors, fields trips and more.
